

KINDERGARTEN SUPPLY LIST

Blue Star Elementary 2023-2024

Large Backpack

Needs to fit library books, take home folder, etc.

Pencil Box that zips shut

Not a plastic pencil box, please. A zippered lunch box like this one (that is easy for your child to see inside of) keeps everything from spilling, and is also durable and quiet.

3 glue sticks

.77 oz or larger, please. They last so much longer than the little ones!

Child scissors - Typical length is 5 inches.

Markers - One pack of washable markers. Any colors/size is fine. (Please remove these from the box and place in a labeled Ziploc bag.)

3-ring Binder (1 inch)

Please purchase one that does not have a floppy cover so that it is easy to write in.

Zipper Pouch for the 3-ring binder

Please look for one with a metal zipper. You can place this inside of the 3-ring binder.

Spiral-bound notebook

Headphones

In a zippered bag/small container. Please send headphones and not earbuds.
